

# AWBS2017 Electrical Supply Order Form

Single Phase - 230/240V				
	Four Day Price		Quantity	Total
10 Amp	£	119.53		
16 Amp	£	155.84		
32 Amp	£	270.16		

Three Phase - 400/415V				
	Four Day Price		Quantity	Total
16 Amp	£	315.33		
32 Amp	£	544.64		

- Prices quoted are for pull mains & generator power (dependent on location) and consumption only. It is the responsibility of your stand contractor or builder to distribute this as needed. It is your responsibility to ensure they are adequately competent to complete this task and will be required to sign off the installation against current legislation.
- Prices quoted are for the duration of the show (4 days)
- Prices do not include VAT
- Power is normally switched off 30 minutes after close
- There will be an additional 10% charge for 24-hour supply. Please ensure 24-hour supply is indicated on order

### Orders for power should be submitted before Friday 28<sup>th</sup> April 2017

It is a requirement that you list ALL items of electrical equipment along with the wattage of each appliance. This enables us to give the correct power requirements for the venue to the electricians. Items not listed below must not be used.

You will also be required to produce a valid electrical test certificate for each appliance used and made available for inspection by our electricians. Failure to produce a valid certificate will result in the organisers not permitting you to use the appliance.

I propose to use the following electrical appliance(s) at the list events:

	Appliance	Wattage (in KW)
1		
2
